The walk and run start at ST. T's then goes down Uluniu for ½ mile and returns back to ST. T's the walkers are done
the runners continue a short way on SKR in front of your entrance and turn down to Halama Street and run the length of Halama st
turn around and run back to ST. T. The race starts at 8am and most of the runners are done within 45min most of the walkers are done between 12-20min and they are only on Uluniu
St.T will have police on the course and marshals.

You might want to wait until 8:45 to leave the property or to go down Halama Street for Ulanui the residents may want to wait until 8:15 to leave their homes.
